

Nellim - Northern Lights over Lake Inari

HOLIDAY TYPE: Small Group
VISITING: Finland

BROCHURE CODE: 2903
DURATION: 4 nights

In Brief

Our Northern Lights over Lake Inari trip is one of our most-loved 4-night holidays. With its exciting and varied winter activities, remote location and dedicated night-time Aurora hunts, it's very easy to see why.

Our Opinion

“ If you are serious about seeing the Northern Lights then you've come to one of the best places in the world to make your dream come true. There's a certain magic at work here. During the day, the wide expanses of frozen Lake Inari and the winter forests provide a beautiful snowy playground and by night, the magic and mysticism are even more pronounced. From our Aurora Camp on Lake Inari, you can gaze upon a sky filled with stars and, conditions being favourable, the Aurora Borealis. ”

Trip Overview

In the far northeast corner of Finland, the tiny village of Nellim's remote location ensures not only an incredibly scenic wilderness setting for your trip but also fantastic Aurora potential. The warm and welcoming Wilderness Hotel Nellim is located close to the shore of Lake Inari and the lake's frozen surface provides an ideal Aurora viewing spot. The hotel also has incredible Aurora Bubbles and Aurora Kotas on-site and guests can upgrade to spend the night in these, gazing directly at the Arctic sky from the comfort of their bed.

On one evening, you will travel to one of Nellim's Aurora Camps. They have several at their disposal, all situated in locations chosen to maximise your chances of seeing the Aurora, with their clear night sky views. Here you can warm yourself by the fire and enjoy a hot drink while waiting for a potential Northern Lights display to light up the sky. Another of your nights will be spent on an Aurora snowshoe hike where you can really appreciate the silence and beauty of the surroundings as you walk along snowy trails and look up at the night sky. You will also hunt the lights by car one night, as the flexibility this gives you to outmanoeuvre cloud cover and reach different viewing points quickly can be a real plus.

Whilst the evening excursions are undoubtedly a highlight of this holiday, the days are also filled with some wonderful activities which showcase this remarkable region. You will drive a snowmobile along snowy trails, enjoy a morning with a reindeer herder where you will gain an insight into the importance of these animals to this region and take on a husky safari across the lake, as you guide a team of eager dogs through this spectacular landscape.

Nellim is where four of us here at The Aurora Zone, on separate occasions, got our first glimpse of the Northern Lights and so it holds a very special place in our hearts. There is something about it, with its warm hospitality, beautiful scenery and very knowledgeable guides that make it a very special place indeed. This, in combination with its almost total lack of light pollution and array of Aurora-watching locations, makes it an ideal destination for a Northern Lights holiday.

Please note that the activities outlined will all be included in your holiday, however, the order of activities listed here is for guidance only, and your final timetable will be confirmed on arrival.

Agenda

Please note the order of activities is subject to change

DAY 1	ARRIVAL
----------	---------

Upon arrival at the airport, you will be welcomed and transferred* to Wilderness Hotel Nellim in the northeast corner of Finland.

You can check in and then a hearty dinner will be served in the hotel's main restaurant.

Before heading to bed, you may want to take a wander down to the edge of Lake Inari, as this is a prime Aurora spot! The beauty of Nellim's remote location is that there is almost no light pollution, so you don't need to go far at all if the skies are clear and conditions are favourable.

On one of your nights you may choose to upgrade your accommodation to one of the spectacular Aurora Bubbles or Aurora Kotas at Nellim, or perhaps you may like to head out for an evening of searching for the Northern Lights via snowmobile – see the '[Personalise](#)' section for full details.

The order of activities listed in this agenda is provided for guidance only, your final itinerary will be provided on arrival at your accommodation.

**Transfers are based on a scheduled group shuttle that sometimes stops at a few nearby hotels. If you would prefer to upgrade to private taxi transfers please ask our Travel Experts for a quotation*

Included Meals: Dinner

DAY
2

SNOWMOBILE SAFARI AND AURORA CAMP

On your first morning at Nellim, you will see that this is a location that is not just about the Aurora and evening activities. During the day, it is a remarkably beautiful part of the world with dazzling frozen lakes, fells and forests blanketed in snow.

After breakfast this morning, you will head out with your guide into the wilderness as you explore on snowmobiles. Your guide will give you a full safety briefing and a driving lesson before you head out along the local trails exploring your new surroundings. You will ride two per snowmobile and you can swap drivers during the safari if both of you hold a full driving licence (you must also be over 18 to drive a snowmobile). The activity lasts around two hours in total.

Lunch will be served back at the hotel.

This evening, after dinner, you will make your first journey to one of Nellim's Aurora Camps, travelling there by a snowmobile-pulled sleigh. The camps are situated in carefully chosen spots, which offer magnificent views of the night sky.

Your guide will prepare a fire and as a group, you will gather around and enjoy hot drinks as you watch the skies for a potential Aurora display. You will be out for approximately two and a half hours tonight.

Included Meals: Breakfast, Lunch, Dinner

DAY
3

HUSKY SAFARI AND AURORA SNOWSHOEING

Today you will enjoy one of the highlights of any trip to Lapland as you take control of a team of eager huskies. The husky kennels are just a short distance from the hotel and before setting off your experienced musher guide will give you all a safety briefing and full instructions.

You will travel two people per sled (with the chance to swap places and each drive the dog team) as your dogs pull you over frozen lakes and through snow-covered forests. There is not much that can compare with travelling in such a time-honoured fashion. You will be out on the trail for around 1.5 hours* and there will be time for you to take photos with the dogs on your return to the kennels. Following the husky safari, you will enjoy lunch back at the hotel.

This afternoon you will have some free time to either relax or perhaps explore independently by hiring

some cross-country skis or snowshoes. Marked trails start from the hotel and the reception team can provide you with a map (see the 'personalise section for details). Additional activities may also be available locally.

After dinner, you will head back out into the wilderness, but this time equipped with snowshoes. Snowshoes help you walk through the deep snow so you can admire the peaceful surroundings as you make your way towards an excellent Aurora viewpoint. Here you will enjoy warm drinks as you look up at the night sky where hopefully if conditions are favourable, the Northern Lights will make an appearance. You will be out for approximately two and a half hours this evening.

* Please note that this safari is sometimes described locally as being 3 hrs in duration, but this duration includes lunch (which we include as standard of course).

Included Meals: Breakfast, Lunch, Dinner

DAY
4

REINDEER FARM VISIT AND MINIBUS HUNT FOR THE NORTHERN LIGHTS

Today your expert guide will accompany you to a local reindeer farm, where you will encounter the animals and discuss their importance with the guide. They will talk to you about the lives of the reindeer and you'll get the chance to feed the animals. The activity will last for around two hours.

Following dinner tonight, you will head out by minibus on your final hunt for the Northern Lights. The advantage of the minibus is that it offers additional mobility to potentially outrun any cloud cover that may be blocking an Aurora. This, in addition to the guide's excellent local knowledge, should hopefully allow your final night to be filled with Northern Lights.

You will be out for approximately 3 hours tonight.

Included Meals: Breakfast, Lunch, Dinner

DAY
5

DEPARTURE

Today you will transfer for your return flights home. If you are departing on an early flight then a boxed breakfast will be provided for you to take with you.

Our pick

A night in an Aurora Kota

The team at Nellim are world experts when it comes to Northern Lights viewing, and frequently devise creative new ways to appreciate this natural phenomenon. The Aurora Kotas at Nellim and Muotka are well in keeping with such a tradition: combining a cabin structure with glass tepee elements, they provide a large glass roof above the sleeping area, allowing visitors to lose themselves in the magic of night-time Northern Lights displays.

Each Kota contains a double bed and is a bit larger than an Aurora Bubble, with room for a third person on a sofa bed. The 18m² space has simple and inviting décor, as well as pleasant lighting which illuminates the area without disrupting aurora-watching experiences. Linking to their natural setting, the majority of the Kotas do not have a shower- even so, each includes a toilet and a small sink. At Nellim, there are also two Aurora Cabins that have a shower and are slightly larger at 29 m².

Please note: prices are based on you spending the first or last night of your holiday in this unique accommodation and not keeping your original accommodation. If you would like to do this on any other night during your holiday you will need to keep your accommodation and supplements will apply. Please ask our Travel Experts for a quotation.

ACTIVITIES

Aurora Snowmobile Safari

Snowmobiles offer a level of mobility that means that, should there be any localised cloud cover, your guide may be able to lead you to clearer skies.

After full instruction and a safety briefing, you will travel in pairs on the snowmobiles, with one travelling as a passenger and the other in control of the machine (you will get the chance to swap). You may choose to upgrade and drive your own snowmobile - please ask our Aurora Travel Experts for a quote.

Travelling by snowmobile at night is a thrilling experience as the headlights illuminate the forests and the snow reflects the light to create a very special atmosphere. Your guide will break at prime viewpoints, and if the Aurora appears, you will stop to admire the show, so driving distances can vary.

Please note: You must be 18 years old or over and hold a full driving licence to drive a snowmobile.

Duration: approximately 2.5 hours

Cross country ski or snowshoe hire

Should you wish to explore independently during your stay, then both cross country ski gear and snowshoes can be rented at the hotel. Please ensure that you take a map and always follow marked trails. Ensure that you also have a mobile phone and the hotel's contact details in case either are required during your outing.

SPECIAL NIGHTS

Aurora Bubble

What a concept this is! These bubbles represent the absolute pinnacle of the increasingly sophisticated search for the Northern Lights.

Essentially, the Aurora Bubble brings the Arctic wilderness and the night sky into the comfort of your own bedroom. Each bubble has a heated bedroom with a large north-facing dome window, allowing you to gaze at the firmament from the comfort of your own bed!! This is Aurora hunting in style.

The bubbles are situated in an area of minimal light pollution and all have a small compact toilet.

Of course, we can neither guarantee that the Northern Lights will appear nor can we ensure cloud-free skies because Aurora hunting will always carry an element of luck. What we do know is that the Aurora Bubbles represent a genuinely unique and memorable experience.

Please note: prices are based on you spending the first or last night of your holiday in this unique accommodation and not keeping your original accommodation. If you would like to do this on any other night during your holiday you will need to keep your accommodation and supplements will apply. Please ask our Travel Experts for a quotation.
