

Wilderness Hotel Inari - Aurora Hunting Adventure

HOLIDAY TYPE: Small Group
VISITING: Finland

BROCHURE CODE: 22008
DURATION: 7 nights

In Brief

Wilderness Hotel Inari offers spectacular views over the frozen Lake Inari and puts you in prime Aurora viewing territory. Your 7-night stay uses the lake as a winter playground during dog sledding, reindeer encounters and insights into the Sámi culture. At night, it's all about dedicated Northern Lights activities.

Our Opinion

“ There are few places that depict that idyllic image of winter quite like Wilderness Hotel Inari. Based right on the shores of Lake Inari, the views from here are spectacular, and the hotel itself offers a cosy and relaxing base. Hunting for the Northern Lights is simply spectacular, as the remoteness of the destination means little light pollution and a heightened chance of spotting the Aurora. Plus, all of the best activities are possible here, including huskies, reindeer, snowmobiles and snowshoes. What more could you ask for? ”

Trip Overview

You'll find that many of our holidays are situated within reach of Lake Inari, but no other destination has a location quite as close as Wilderness Hotel Inari, which sits proudly on the shore.

This region of northeast Finland is renowned as a Northern Lights destination and is a real paradise for those who want a dedicated week of Aurora hunting and the chance to take part in all the Arctic activity highlights as well.

Wilderness Hotel Inari is the brainchild of our long-standing friends and local partners, Jouko and Mari Lappalainen who also own Nellim, Nangu and Muotka. Mari had coveted this location for years, simply because of the view and the Aurora potential. Having realised their dream of securing the land they then brought their charm, imagination, dedication and expert guides in, to create this wonderful destination.

When it comes to Aurora hunting there are few areas which would stack up against the Inari region.

There are so few people (far more reindeer) here that there is very little light pollution and the vast lake provides unadulterated views north across the ice. There are four dedicated Aurora hunts in this holiday which include an informative workshop, a visit to a perfectly located Aurora Camp, a hunt by car/minibus and an Aurora snowshoe hike. These activities when coupled with a seven-night stay provide the fabulous potential for witnessing the Northern Lights.

The wonderful thing about Inari is that, like in many of our destinations, if the Aurora conditions align on a night when you are not taking part in a Northern Lights hunt, you still have an excellent chance to witness them from very close to the hotel.

Many guests also like to consider upgrading to one of the Aurora cabins in order to gaze at the sky from the comfort of their own bed. Please see the accommodation section for details or ask one of our experts for an upgrade quote.

During the day you'll take to the trails for a dog sled safari with an eager team of huskies and will also try the favoured Finnish pastimes of snowshoeing and cross-country skiing. These are all exceptional ways in which to explore the landscape around you.

The village of Inari itself is not far from the hotel and is the centre of Sámi culture in Finland. We make sure that you glean insight into this fascinating indigenous culture during your holiday when you meet with a local reindeer herder and their animals. You will see why reindeer herding has been such an important part of the Sámi way of life and still is today.

This is an unforgettable week which encompasses all of the main highlights of Lapland and provides some outstanding Northern Lights viewing opportunities.

Please note: the activities outlined will all be included in your holiday, however, the order of activities listed here is for guidance only, and your final timetable will be confirmed on arrival.

If you are travelling over Christmas or New Year, you will enjoy a festive dinner and celebrations on the 24th and the 31st of December (traditionally in Finland, Christmas is celebrated on Christmas Eve).

Included Meals: Dinner

DAY
2

SNOWSHOEING AND AURORA WORKSHOP

One of the best ways to appreciate your new surroundings is on foot. You wouldn't get very far just walking around in the deep snow as you'd quickly end up knee deep, but if you put on snowshoes life is much easier. Today's snowshoe walk will last for around four hours (including a break for a lovely lunch around a campfire) and so there is plenty of time for you to soak up the silence of this wild environment. The pace will be leisurely so you have time to stop and admire the flora and fauna in the company of your expert guide.

This evening, you will gather for an Aurora Workshop at the hotel. This informative presentation will provide you with a greater understanding of the Northern Lights and the basics of how to capture the Aurora on camera.

Included Meals: Breakfast, Lunch, Dinner

DAY
3

SNOWMOBILE TRY OUT AND AURORA CAMP

After breakfast, you will have the chance to explore the wintery surroundings on an exciting introductory snowmobile adventure. After full safety instructions and a driving lesson, you'll head out for a safari, following some of the fabulous trails and travelling on the lake. You must be over 18 and hold a full driving license in order to take the controls. You will travel two people per snowmobile and

the activity lasts around two hours in total.

Your meals will be served at the hotel and you'll need a hearty dinner ahead of your Aurora Camp excursion this evening.

Jouko and Mari (the owners of the hotel) and their guides have set up wonderful Aurora Camps all over the area. They are all situated in places where the skies are pitch black and the views to the north are unobstructed. Travelling in a sleigh pulled by your guide's snowmobile, you will travel in comfort to the camp. A fire will keep you warm and hot drinks will be served as you patiently wait for the Northern Lights. With a little luck, they will make an appearance tonight. You will be out for around 2.5 hrs tonight.

Included Meals: Breakfast, Lunch, Dinner

DAY
4

HUSKY SAFARI

There are few activities which are as synonymous with the Arctic as a husky safari. There is quite simply nothing that can really be compared to the sense of adventure you get from hitting the trail with an eager team of dogs pulling your sled along. It is a time-honoured way of travelling which has never lost any of its appeal.

You will typically meet your eager huskies on the ice of Lake Inari, just a short walk from the hotel. A full safety briefing will be given before you meet the teams and you'll be shown how to handle the sleds. As the huskies will be eager to get going (you'll hear their barks long before you see them) you'll get straight on with the safari.

Your guide will release your anchor and away you'll go, off onto the trails and out across the lake. Travelling two people per sled, you will have the chance to take it in turns to drive. It is such a thrilling experience and the scenery here can be spellbinding.

The timing of the activity will be confirmed on your arrival at the hotel, but lunch will be served in the restaurant, either before or after your adventure. The safari will last around 1.5 hours in total* and there will be some time at the end to meet the dogs and take photos.

The remainder of your day and evening are free for you to relax and unwind. Dinner will be served at the hotel and you may want to head down to the lakeshore to keep an eye out for the Aurora before bed. Remember that you can also arrange to book time at reception to visit the lakeside Aurora sauna should you wish.

* Please note that this safari is sometimes described locally as being 3 hrs in duration, but this duration includes lunch (which we include as standard of course).

Included Meals: Breakfast, Lunch, Dinner

DAY
5

FREE DAY AND AURORA SNOWSHOEING

Today has been left free for you to tailor your time. This is a hugely relaxing setting and there is a lot to be said for some taking a few hours just to appreciate your surroundings. We do however have additional activities which can be arranged, and these can be found in the 'personalise' section of the holiday page.

We also strongly recommend taking the time to walk into Inari Village (around 45 minutes' walk). The village is great for a spot of souvenir shopping and there are also some local cafes to enjoy.

All your meals are included and will be served in the hotel's restaurant with its panoramic windows.

Tonight, you will strap on a pair of snowshoes and head out into the Arctic night on an Aurora adventure. Experience the silence of the surrounding forest as you make your way across snowy trails to a wonderful viewpoint. Your guide will light a fire and you can enjoy hot drinks as you gaze up at the sky where hopefully, if conditions are favourable, the dancing Northern Lights will make an appearance.

Included Meals: Breakfast, Lunch, Dinner

DAY
6

CROSS-COUNTRY SKIING AND AURORA HUNT

Cross-country skiing is one of those activities which Finns start to do as toddlers. Most of us aren't quite that lucky, but as this is such a popular pastime in Finland it would be rude not to see what all of the fuss is about. You need no prior experience of any kind of skiing to take part, as your guides will provide all the necessary tuition. Once everyone has got the hang of it, your group will head out for a loop on one of the trails close to the hotel (they are all around this region). In total this activity will last approximately two hours.

Now, if the lights have so far proven elusive, tonight could provide an excellent opportunity for you to see them. Travelling either by car or by minibus, your guide will drive you on a route specifically chosen to match the night's Aurora and weather forecasts.

The beauty of being mobile is that you can cover greater distances and therefore have a better chance of being able to find clear skies. If the conditions are good close to the hotel you'll set up in one of the Aurora Camps nearby. If there is cloud cover, you'll head further afield and will hopefully outrun it. All in all, you will be out for around 2.5 hours.

Included Meals: Breakfast, Lunch, Dinner

DAY
7

REINDEER FARM VISIT AND FREE EVENING

Today's activity allows you to get an idea of what life is like for the traditional reindeer herders of Lapland and their animals. You'll visit a local reindeer farm where the peaceful animals will be the star attraction. The herder will provide you with details about their year and the life and importance of a reindeer to the local people and economy. The experience will last for around 2.5 hours.

Back at the Wilderness Hotel this evening you will enjoy your final dinner in the restaurant. After your meal, you can head down onto the lake to keep watch on the skies and enjoy the Arctic wilds for one last evening. Alternatively, you might like to add in additional Aurora activities or perhaps enjoy a special Sámi culture themed evening meal, please see the 'Personalise' section for details.

Included Meals: Breakfast, Lunch, Dinner

DAY
8

DEPARTURE

Today it is sadly time to wave goodbye to Inari and the Arctic. You will be transferred back to the airport in time for your return flights home.

If you have an early departure this morning a boxed breakfast will be provided for your journey.

The order of activities listed in this agenda is provided for guidance only, your final itinerary will be provided on arrival.

Included Accommodation

Other options are available - see below for details.

Wilderness Hotel Inari (Nights: 1-7)

Situated on Lake Inari's shores, Wilderness Hotel Inari is one of the most spectacular destinations we feature. Offering excellent levels of comfort and some serious 'wow factor', it is the latest addition to the Wilderness Hotels owned by our good friends Jouko and Mari Lappalainen.

Importantly it is also slap, bang in the middle of the world's best Aurora hunting territory and the hotel has implemented some innovative Northern Lights features to help maximise your viewing potential.

Wilderness Hotel Inari is ideally located around 40 minutes' drive from Ivalo Airport and just five minutes from Inari Village, which is the centre of Sámi culture in Finland.

There is a variety of accommodation on offer here, including cabins, Aurora cabins and hotel rooms, all of which are separate to (but within very easy reach of), the central restaurant building.

The hotel provides modern accommodation with décor which combines both comfort and charm. A huge amount of thought has gone into creating this very special place to stay.

Hotel Facilities

- The focal point of the hotel is the main reception, bar, lounge and restaurant building. There will be gasps of delight from the moment you walk in and are confronted with exceptional views out towards the lake.
- All meals are served in the restaurant and the quality of the food has been excellent in our experience.
- Breakfast offers a continental selection of meats, breads, cheese, fish and pastries as well as hot options including bacon and eggs. There are fresh fruit and yoghurts to compliment
- A.t lunch and evening meals, an array of fresh salads and a soup is followed by a choice of two main dishes prepared by the chefs. Options will typically include some local flavours as well as international dishes. In the evening these are accompanied by a pudding. Tea, coffee and water are included in your stay and any additional drinks can be added to your bill.
- The restaurant is beautifully decorated, with local art and woodwork creating a great atmosphere. The fantastic north facing panoramic windows running the length of the room offer views out onto Lake Inari. We certainly expect a few evening meals to be abandoned as the Aurora becomes visible during dinner (the chefs get used to it)!
- The bar area is fully stocked so you can enjoy a drink with your meal or relax in the lounge area by the roaring fire.
- Free Wi-Fi is available in the main hotel building and rooms (it is less strong in the Aurora cabins and the log cabins but 3G reception should work on your phone).
- The crowning 'Northern Lights glory' here is the glass-roofed sauna which is housed by the lake in a modified Aurora Cabin. Guests can book the sauna at the reception in hour long slots for private use (free of charge) and so if you strike lucky, you can witness the Northern Lights from inside, which is a very special experience.

Wilderness Hotel Inari - Log Cabins

These cosy cabins are built in the traditional way, with walls constructed from huge logs and plenty of space inside. The ground floor covers 70m² and the loft area offers an additional 20m².

On the ground floor, you'll find a spacious dining/living room, comfy seating, and a wood burning stove which can be turned to face where you are sitting. There is also the main bedroom with a queen-sized bed. There is also a kitchenette and dining area, although all your meals are provided in the restaurant. The cabins also provide free Wi-Fi although the signal is not strong in all of them. It

can, however, be used in the lounge area of the main building if needed.

The bathroom and toilet (hairdryer and toiletries are provided) are also on the ground floor and the cabin comes with the luxury of a private sauna.

The loft area upstairs can accommodate three more single beds and, thanks to the pull-out sofa in the living area, the capacity of these cabins ranges from two to six people (although we would recommend a maximum of 4 adults). They are ideal for couples looking for a very romantic hideaway or for small groups of friends or family.

The cabins are between 15m and 100m from the main building.
